

# TESTIMONIALS

Thank you for all of your help with Marucci's Evening with Baseball Legends. I enjoyed participating in the event and hope the assembled have a better sense of the joys and challenges of the Presidency. Thanks for all you did to make it such a success.

I just wanted to take a moment to compliment all of you on a wonderful evening last night. Aside from needing to have a bull horn to quiet the crowd, everything about the event went off perfectly. From the decorations, to the arrangement of the silent auction, the great big boards, the dinner, presentation, the auction and dancing, all was very well done. I am not one to stay until the band stops playing, but there I was last night, and here I am today with ears still ringing! It was a fun night, and thank you for all of your hard work that went into it! The School is blessed by your efforts.

I have worked events of all shapes and sizes for over 40 years in Houston, and I trust no one more than Niki Smith to always do what she says she will do, and to do it right the first time.

Timing is everything and we were so blessed that Niki's time was for us!!! She was just the right bow to join our big top package and providing the WOW... What a great team and the evening was seamless.

Niki's expertise and dedicated involvement with the Bob Allen Swing & Fling benefiting Special Olympics Texas relieved us of dealing with a multitude of details and enabled us to relax and enjoy our event!

Niki has planned on two events for Cooper Industries. Both the Holiday Party and my husband's Retirement Party were perfect and she was a joy to work with on each occasion. I loved planning the events together with her. She made it all look so easy and everyone commented that it was the best Retirement Party they had ever attended. I didn't have to worry one bit... I knew Niki had it all under control.

Just wanted to share my continued thanks for inviting me to serve as Auctioneer for Periwinkle. You and your team truly outdid yourselves last night. I can honestly say it was among your BEST events yet...or better said..."The Greatest Show on Earth!" :) I can't begin to tell you how great of a job you and your team do at every event! As

often times the auction is a casualty of those that fail to plan, it sure is a breath of fresh air when Niki Smith is running things!

**Jack Gibbs**, Auctioneer

Star of Hope has been responsible for a myriad of events. It wasn't until we hired Niki Smith that we could enjoy the luxury of a turnkey event. She has been under contract with us for our first through our fourth (2006) golf tournament. Every year she has taken it to another level making it one of the most popular and sought after tournaments in Houston. Niki has been a Godsend to Star of Hope.

**Kathy Tabor**, Executive Director Star of Hope, 2006

John and I have used Niki Smith to help us put our personal touch on several types of events from our wedding reception, corporate dinners, and charity fundraisers. Each time we are confident the myriad of details will be handled leaving us the pleasure of enjoying our guests.

Niki Smith is a fantastic resource. She is wonderfully creative. But beyond that, she puts all the details into place in a professional, timely and cost effective manner to transform the creation into a reality that is far better than you could ever imagine for "any event" that you could imagine.

**Victoria Guennewig**, VP of Public Affairs, Cooper Industries

I have worked with Niki Smith on two events and found her to be professional, knowledgeable, and easy to work with. For the novice tournament host, Niki is a real asset to have in your corner.
